

# Anglo-Saxon Necklace

This beautiful necklace is from Anglo-Saxon times. It was discovered in the grave of a young woman and is made from expensive gold and has rare and exotic stones

The Anglo-Saxons lived in England over 1000 years ago. The name for Saxon Southampton was Hamwic and it was an important trading town.

## Craft Idea:

Create your own jewellery out of things you have at home! You could use beads, sequins, cardboard, scrap paper or even sweet wrappers!

Why don't you start by colouring in this necklace!
