

RMS Titanic

The RMS Titanic is probably the world's most famous ship. The largest, most luxurious ship of her day. She was travelling from Southampton to New York on her maiden voyage in April 1912 when she struck an iceberg and sank. Tragically nearly 1,500 people lost their lives in the sinking. Many of the crew lived in Southampton and it was said that everyone in the town knew somebody who was on board.

Can you draw in the details in the Titanic outlines below?

Why not colour it in as well?
You could even choose your own
colour scheme!
